CAREER OBJECTIVE

Aspiring AI and software engineer with a strong foundation in computer science, machine learning, and computer vision. Passionate about leveraging AI to drive innovation in healthcare and medical research. Eager to collaborate on projects that apply deep learning and data-driven methods to improve diagnostics, patient care, and medical decision-making.

EDUCATION

Masters of Science in Computing in HC Artificial Intelligence

(2025 - Present)

Technological University Dublin

Bachelors of Science in Computer Science and Engineering

(2020 - 2024)

North South University (CGPA: 3.51/4.00)

SKILLS

Programming Languages: C, C++, Java, Python

Machine Learning & Neural Networks: TensorFlow, PyTorch, Keras, scikit-learn

Generative AI & Large Language Models: LLMs, LangChain, Hugging Face, fine-tuning, prompt engineering

Web Development: HTML, CSS, JavaScript, TypeScript, ReactJS, Next.js, Node.js, Express.js, Redux, Tailwind

Databases: MySQL, MongoDB

Graphic Design: Adobe Photoshop, Adobe Illustrator

WORK EXPERIENCE

Tweetsy Inc.

(May 2024 – August 2025)

Software Engineer

- Develop full-stack SaaS products with responsive user interfaces and efficient backend services.
- Ensure high performance and scalability of applications through robust design and implementation.
- Collaborate with cross-functional teams to refine product features and enhance user experience.
- Build AI-driven tools to optimize client business operations and drive growth through intelligent automation.
- Integrate and manage diverse APIs to expand functionality and streamline workflows for client applications.

Ecosapiens.xyz

(February 2024 – March 2024)

Moderator

- Promoted constructive community engagement and upheld platform standards.
- Assisted users with queries and ensured adherence to content guidelines.
- Strategized for community growth while monitoring and managing unsuitable content.

RESEARCH EXPERIENCE

Ophthalmic Diseases Detection Using CNN: A Comparative Analysis of ResNet and VGG Architectures

Published at the IEEE International Conference on Computational Intelligence and Communication Networks.

- DOI: [10.1109/CICN63059.2024.10847410](https://doi.org/10.1109/CICN63059.2024.10847410)
- Developed a CNN model for automated detection of ophthalmic diseases.
- Utilized ResNet-50, ResNet-18, VGG-16, and VGG-19 architectures for classification.

PROJECTS

Senior Project – Advanced Virtual Classroom & Automated Grading System

- Developed a platform for real-time collaboration and interactive learning.
- Features live streaming and document sharing to enhance student-teacher engagement.

Aviation Accident Prediction by Machine Learning

- Created a model to predict aviation accidents by analyzing historical data.
- Identified key risk factors and trends for safety improvements.

Basearch.xyz (Real Estate Web)

- Developed a real estate platform using React and Express.js.
- Facilitated property transactions through a user-friendly interface.

Quora AI Reply Generator

- Created a SaaS tool using OpenAI API to generate tailored replies for Quora posts.
- Enhanced user engagement with timely, contextually relevant responses.

COMMUNICATION SKILL

English proficiency with an IELTS score of 7.0:

- Listening: 7.5 | Reading: 7.0 | Writing: 6.5 | Speaking: 6.0
- TRF: 24BD013433RAZA001A

EXTRACURRICULAR ACTIVITIES

Math Olympiad Champion

- Demonstrated strong analytical abilities in competitive mathematics.

IEEE NSU SB | Member

- Participated in technical workshops, seminars, and networking events.

Adamjee Model United Nations Association (AMUNA) | Member

- Developed public speaking and diplomacy skills through MUN conferences.

CERTIFICATIONS

- **Software Engineer Intern** – *HackerRank* (Credential ID: fe145cccf8b3)
- **Frontend Developer (React)** – *HackerRank* (Credential ID: 206df90d75b5)
- **JavaScript (Intermediate)** – *HackerRank* (Credential ID: 5491f303f590)

SCHOLARSHIP

Full Free Studentship (HSC)

- Awarded a full free studentship, including financial support and exemption from tuition fees at public universities.
